1 September 2026

Dear Parent/Carer

I hope this letter finds you well and that you have had a good summer.

I am writing with an update with regard to the use of the Welfare pathway which is currently inaccessible into the school site. For context, Amble Development Trust (who are responsible for the path) erected some fencing over the summer holiday as they await agreed documentation with Northumberland County Council.

This situation does not appear to be resolved as we move into the new academic year. Over the summer I have been in contact with NCC for updates with regard to the fence and they have reassured me that they will let me know as soon as this is resolved. In turn, I will then update parents and carers.

In the interim period, pupils will have to manage their journey onto the school site mindful of crossing roads safely. There is an existing school crossing patrol situated near Bisley Road – this will support the pupils over Acklington Road. We will also have a senior member of staff situated at the road entrance to the school to ensure that pupils are reminded to cross Acklington Road safely as they arrive.

Yours faithfully

Mr James Andriot

Headteacher

Acklington Road, Amble, Northumberland NE65 0NG
