Year	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
12	Component 1 - Portfolio work Y12 students are asked to develop ideas through sustained and focused investigation informed by contextual and other sources, demonstrating analytical and critical understanding on a theme of their choice. To explore and select appropriate processes, review and refine work as it develops. Record ideas, observations and insights relevant to their inventions, reflecting critically on work and progress. They need to present a personal and meaningful response that realises the intention of their chosen theme.					
13	Component 1 - Portfolio continues + 15 hour mock exam Continuing their coursework leading up to a mock 15 hour exam producing a final piece that brings together all their learning throughout the project. This is a way to allow the students to understand the expectations and exam conditions they will face at the end of the year. 15 hour Mock Exam		ESA - Exam Project + 15 hour exam Students will be given 8 titles from the AQA exam board and select one to investigate. They are asked to develop ideas through sustained and focused investigation informed by contextual and other sources, demonstrating analytical and critical understanding. To explore and select appropriate processes, review and refine work in a limited time frame from 1st February until their exam..
